Sir,

Adverting to Government Order No. Ms.-1062

P.H., dated 15th May 1933, negating the retention of
 the rural dispensary at Perdoor, I have the honour to
 submit as follows : -

2. While inviting your attention to my
 letter R.O.C.No. 179/33/UTB dated the 10th April 1933,
 submitted to Government, I bring to your kind notice that

though the dispensary had till 1931 a very poor attendance, it is now gaining strength by slow degrees as stated in my aforesaid letter. The existence of an Ayurvedic dispensary under a popular and influential Ayurvedic Physician competing with this allopathic dispensary, was the chief cause for the very low attendance. The need of a dispensary cannot be judged by its attendance alone. Other circumstances should also be taken into account.

3. The local authority is the best judge to decide whether or not a dispensary is required at a particular place, and my Taluk Board is of opinion that a dispensary at Perdoor will serve a very useful purpose. If the facts mentioned in my aforesaid letter are duly considered, one would naturally think that the dispensary at Perdur is quite essential. I therefore request that the Government may be pleased to reconsider their order and to sanction the retention of the dispensary at least for a few years as an experimental measure.

I have the honour to be,

Sir,

Your most obedient servant,

President.
